WARNING: Selection of the set and commission orders can take up to 3 months.

Because of individual nature of our gift-set, it's more like a commission, based on your reference and fursona, but without possibility to know what's inside before it is done. So you pay in advance and wait for the result, that will be a surprise set of items crafted and picked just for you! Of course it's a bit risky, but we can promise that we'll do our best to make it a good surprise.

If you are an artist and want to take part in creation of unique designs and items for the project – send us a message via e-mail or PM (send us note on FA)!
